Dam SAV Emblynette 7261

Sire SAV Net Worth 4200

- *She was the #1 ribeye and yearling weight female of her calf crop at Schaff Angus Valley, against some of the stiffest competition of herd contemporaries in the world.*
- Direct daughter of the \$117,500 Pathfinder Sire, **SAV Net Worth 4200**, who became one of the greatest sires ever in the Angus Breed. He sired deep, thick offspring that displayed extra performance.
- Her dam was a SAV herd matron, **Emblynette 7261**. She is pictured on the SAV website as a feature donor. She is a **N Bar Emulation EXT** daughter.
- She has a progeny production record, of Birth Ratio, 5 @ 93. Percent Intermuscular Fat, 3 @ 109.
- She is a thick-made, deep, and long cow.
- She has 5 offspring that averaged \$10,350 each, in previous, and the famous, SAV production Sale.
