Dam SAV May 2397

Sire SAV 8180 Traveler 004

Full Sister SAV Blackcap May 4136

- Full sister in blood to ten million dollar producing breed icon, SAV Blackcap May 4136.
- Blackcap May Scheckel F4136 is extra long, thick, and a touch more frame than her sister D4136.
- Her full sister, SAV Blackcap May 4136, has been one of the most influential cows ever to exist in the Angus Breed. She has shattered all records as the number 1 income producing cows in SAV history, generating millions in progeny, 127 direct sons and daughters of 4136, has averaged \$30,000. She has been known as the Sire Producer. She has produced AI stars like the \$750,000 SAV President, \$650,000 SAV Sensation, the \$110,000 SAV Resource, the \$725,000 SAV Pedigree, and many more major AI Bulls, including: SAV Recharge, SAV Renown, SAV Seedstock, SAV Rainfall, SAV Raindance, and SAV Governor.
