Sire SAV Atmosphere 6600

Dam Brads Mc Henry Barbara 257

Paternal Grand sire SAV Resource 1441

- A high ratioing cow directly out of the past foundation McHenry Cow in our herd, **McHenry Barbara 257**, who goes back to the historic W.A. McHenry Angus herd in Iowa in the late 1800's and early 1900's, going directly back specifically to the foundation cow, **Barbara McHenry 40**.
- H772 was sired by **SAV Atmosphere 6600**, a J.J. Scheckel resident herd bull who was out of **SAV May 2397**. He was the #1 Ribeye bull of the entire 2016 SAV calf crop of 600 bulls, and has sired another herd bull for J.J. Scheckel, **JJ Scheckel Big Spread H826**, a bull that won the Midland Bull Test World Champion Efficiency of Gain.
