- Coleman Kodiak 5110 is a bull with incredible thickness, bone, muscle, stoutness, and substance from front to back. He weaned 205 days at 898 pounds and weighed 1,359 at 365 days of age.
- His sire, Hummel Palermo SA, is outcross Argentina blood who sold for \$525,000. He is one of the most impressive individuals in the Angus breed, showing original breed character, depth of body, perfect feet, and amazing width. Palermo is a son of Serrucho, a two-time Palermo champion in Argentina.
- Kodiak 5110's dam, Coleman Donna 0173, is a beautiful Pathfinder cow with tremendous dimension and volume and has an excellent udder and feet.

Sire, Hummel Palermo SA

Maternal Grandam, Coleman Donna 504
