- Full sister in blood to the \$750,000 **SAV Pedigree 4834**. Her dam is the \$150,000-valued **SAV Blackcap May 8962**, who is full sister to the eight million dollar producer, **SAV Blackcap May 4136**.
- This cow's maternal sister, **SAV Blackcap May 0024**, was the #1 indexing cow in the entire SAV Herd of calves in 2010. She has already received Pathfinder status, and has sold for \$100,000 to Ingram Angus.
- The dam of this cow, **SAV Blackcap May 8962**, has had bull calves that have sold for \$18,000 and \$30,000 in past SAV production sales. Her natural heifer calf sold for \$100,000.
- The dam's full sister is the famous **SAV Blackcap May 4136**, who has been one of the most influential cows ever to exist in the Angus breed. She has shattered all records as the #1 income-producing cow in SAV history, generating over 8 million in progeny. 127 Direct sons and daughters of 4136 have averaged \$30,000. She has been known as the Sire Producer. She has produced A.I. stars like the \$750,000 **SAV President**, \$650,000 **SAV Sensation**, the \$110,000 **SAV Resource**, the \$725,000 **SAV Pedigree**, and many more major A.I. bulls, including: **SAV Recharge**, **SAV Renown**, **SAV Seedstock**, **SAV Rainfall**, **SAV Raintance**, and **SAV Governor**.
- This cow's sire, **SAV Pioneer 7301**, is best known as a sire of fabulous females, with a lot of shape and awesome udders. His progeny are structurally sound, with longevity in all environments.
