- Full sister to nine million dollar breed icon, **SAV Blackcap May 4136**. Very rare, very few exist, full sister's of the arguable greatest cow ever in the entire Angus breed.
- She was individually valued at over \$150,000.
- Blackcap May Scheckel D4136, is phenotypically flawless in every way. Extra long and thick. We predict she will be known as one of the best ever full sisters to exist. Her dam, **SAV May 2397**, is no longer producing, making these full sister mating's impossible to recreate.
- Her full sister, **SAV Blackcap May 4136**, has been one of the most influential cows ever to exist in the Angus breed. She has shattered all records as the number 1 income producing cow in SAV history, generating millions in progeny, 127 direct sons and daughters of 4136, have averaged \$30,000. She has been known as the Sire Producer. She has produced A.I. stars like the \$750,000 **SAV President**, \$650,000 **SAV Sensation**, the \$110,000 **SAV Resource**, the \$725,000 **SAV Pedigree**, and many more major A.I. bulls, including: **SAV Recharge**, **SAV Renown**, **SAV Seedstock**, **SAV Rainfall**, **SAV Raintance**, and **SAV Governor**.
- Blackcap May Scheckel D4136 produced the #2 Weaning Weight bull calf from our 2019 ET calf crop. The Bull G601, weighed in at 810 pounds, or 3.10 weight per day average.
- Blackcap May Scheckel D4136 produced the #3 heaviest heifer calf from our 2019 ET calf crop, the calf G502 weighed in at 806 pounds or 3.09 pounds per day average.

Dam, SAV May 2397

Full Sister, SAV Blackcap May 4136
