 Coleman Donna 386

- Coleman Blacksmith 542 is a high maternal bull with a ton of shape and performance. He weaned at 920 pounds and posted a 1,395 pound 365 day weight.
- He is sired by the great Coleman Platinum 2622, the \$170,000 one-half interest, top-selling bull in the 2023 Coleman Angus Sale.
- Blacksmith 542's dam, Coleman Donna 3125, is a genetic treasure and Right Time daughter, who at over 13 years old maintains perfect fertility, perfect feet and an udder that looks like a 3 year old. She is one of the very best Coleman Donna 714 daughters of all time.

Sire, Coleman Platinum 2622

Dam, Coleman Donna 3125

Maternal Grandam, Coleman Donna 714
