Sire, Ellingson Hi-Range

- Ellingson Hi Range 4118 is a son from one of the greatest cows in the Angus breed and Ellingson Angus history, EA Bells Girl 7617, known as the dam of multiple A.I. sires, including the \$80,000 selling Ellingson Badlands, the \$110,000 selling Ellingson Preeminent, the \$85,000 Ellingson Brickhouse, and the \$50,000 sire Ellingson Progressive, which would all be maternal brothers to Hi Range 4118.
- His sire, Ellingson Hi-Range, sold for \$160,000 and is also one of the most striking bulls in recent history that is loaded with cow-making power.
- Hi Range 4118 himself earned a 205 day weaning weight of 852 pounds. He is a bull that will transmit that superior maternal power and low birthweight in a moderate frame package, coupled with some of the best proven foot and udder quality traits in the breed.
