 Ideal 1449 of 5439 7361

- An Ideal Encore daughter from our Ideal cow family at J.J. Scheckel, who all descend originally from the Jorgensen program in Ideal, South Dakota, who are known for breeding real world cattle that perform for well over 60 years.
- Ideal Encore was the all-time top yearling weight sire ever produced at Jorgensen land & Cattle. "Encore" was the co-top selling bull of his calf crop at \$35,000. His daughters have brought him great accolades (203 daughters in AHIR with a combined WW ratio of 102).

Sire, Ideal Encore of 9524 Lady

Maternal Grandsire, S A V Resource 1441
