- A top daughter from the foundation McHenry cow in our herd.
- **McHenry Barbara Scheckel C31** had an individual weaning ratio of 120, yearling ratio of 112, and scanned a 110 ratio on ribeye size.
- She is a beautiful and thick cow, easy fleshing, docile, fertile, and always grabs your attention in the pasture.
- She was born and raised in the J.J. Scheckel herd.
- As of summer 2019, she currently has a production record as follows on her first 2 calves: Birth weight ratio 2 @ 98, Weaning weight ratio 2 @ 109, Yearling weight ratio 2 @ 112, IMF ratio 2 @ 105, and Ribeye 2 @ 110.

Sire, AAR Ten X 7008
